35

Cam

For the Convenience of the Examiner

Key to Figures

5	[Line 5-5 in Fig 4 refers to Fig 5]
10	Closure block
12	Reactor pot
14	Lid
16	Closure seal
18	Small opening
20	Tool carrier
22	Carriage assembly
24	Accumulator assembly
26	Remote hydraulic actuator assembly
27	Secondary Operating Actuator
28	Arcuate frame
29	Upper arcuate slot
30	Delivery chain
31	Lower arcuate slot
32	Stabilizers
33	Side wall
P	Probe
34	Tracks

Key to Figures Track 36 37 Cam Arcuate recess 38 Hydraulic cylinder (not shown. Next to and identical to 42) 40 42 Hydraulic cylinder Double acting piston 44 45 Double acting piston Hydraulic line for cylinders 40 and 86 46 Carrriage assembly inlet/outlet port for hydraulic line 46 47 Hydraulic line for cylinders 40 and 86 48 Carriage assembly inlet/outlet port for hydraulic line 48 49 Hydraulic line for cylinders 42 and 88 50 Carriage assembly inlet/outlet port for hydraulic line 50 51 Hydraulic line for cylinders 42 and 88 52 Carriage assembly inlet/outlet port for hydraulic line 52 53 Holes 54 Conventional probe connections 56 Conventional probe connections 58 Direction of movement of probe P Υ Direction of pivot in figure 7 Z. Top portion of track 34 60

Key to Figures

62		Top portion of track 36
70		Actuator body
72		Guide plate
74		Guide pin
76		Guide pin
78		Skew adjuster
80		Lead screw
82		Double acting piston
84		Double acting piston
86		Internal cylinder
88		Internal cylinder
90		Remote hydraulic actuator assembly inlet/outlet port for hydraulic line 46
92		Remote hydraulic actuator assembly inlet/outlet port for hydraulic line 48
94		Remote hydraulic actuator assembly inlet/outlet port for hydraulic line 50
96		Remote hydraulic actuator assembly inlet/outlet port for hydraulic line 52
MA	1	Manipulator apparatus
110	0	Remote operating system
113	2	Base plate
11	4	Handle
11	6	Handle
12	ń	Chambered Manifold block

Key to Figures

122	Pressure gage
124	Three way flow control valve for hydraulic line 46
126	Three way flow control valve for hydraulic line 48
128	Three way flow control valve for hydraulic line 52
130	Three way flow control valve for hydraulic line 50
132	Three way flow control valve for hydraulic line 48
134	Three way flow control valve for hydraulic line 52
136	Fluid fill valve
138	Air control valve
140	Pulsation damper
142	Accumulator assembly inlet/outlet port for three way control valve 124
144	Accumulator assembly inlet/outlet port for three way control valve 126
146	Accumulator assembly inlet/outlet port for three way control valve 128
148	Accumulator assembly inlet/outlet port for three way control valve 130
150	Accumulator assembly inlet/outlet port for three way control valve 132
152	Accumulator assembly inlet/outlet port for three way control valve 134
154	Accumulator assembly inlet/outlet port for fluid fill valve 136
156	Accumulator assembly inlet/outlet port for air control valve 138
